TARGET GROUP 3

The "target" group for this amendment shall be children between the ages of one day and five years of age who:

- are under the care or custody of the Department of Children, Youth and Their Families, and;
- have tested positive for HIV infection or have been determined to be at risk of HIV infection through having a parent testing positive for HIV infection, and;
- are receiving medical services from providers in the State of Rhode Island which are licensed by the Department of Children, Youth and Their Families, provide service under contract to the Department of Children, Youth and Their Families categorized as a "FACTS" provider and provides care in accordance with the Rules, Regulations, and Standards for child care, and;
- are eligible for Title XIX Medical Assistance coverage either as categorically eligible or medically needy only and are eligible for the early and periodic screening, diagnosis and treatment (EPSDT) program.

Qualified Staff

The overall case management program at each provider agency must be directed by a registered nurse or equivalent health professional with at least two years experience in the delivery of case management services and be supervised by a licensed physician. All services shall be delivered in accordance with the requirements specified by contract with the Department of Children, Youth and Their Families.

Assurances

The state assures that payments made for targeted case management services will not duplicate payments made to public agencies or private entities under other program authorities for this same purpose. The state further assures that payment under this provision will not be made for case management services which are an integral part of another provider service.

The state assures that the provision of optional case management under this section will be distinguished from any case management services provided as part of its approved Section 2178 home and

Community-Based Waiver authorized under Section 1915(c) of the Social Security Act.

TARGET GROUP 4

The "target" group for this amendment shall be children between the ages of one day and three years of age who:

- meet the criteria for Developmental Delay and Established Conditions (Early Intervention services under part H) as outlined in applicable state regulations; and
- are receiving medical services from providers in the State of Rhode Island which are licensed by the Department of Health to provide Early Intervention services in accordance with established state regulations; and
- are eligible for Title XIX Medical Assistance Coverage as medically needy; and
- are eligible for early and periodic screening, diagnosis and treatment (EPSDT) program.

Qualified Staff

The overall case management program at each provider agency must be directed by a qualified mental health professional as defined in the Rhode Island general laws or by a person possessing equivalent experience in working with the mentally ill or emotionally disturbed in community settings. Each staff member providing case management services, must be a mental health professional with at least an Associate's Degree in the social sciences or equivalent experience or a combination thereof and must receive specialized training including a complete orientation to the community services/agencies in Rhode Island as well as meeting all other requirements specified by contract with the Department of Health.

Assurances

The state assures that payments made for targeted case management services will not duplicate payments made to public agencies or private entities under other program authorities for this same purpose. The state further assures that payment under this provision will not be made for case management services which are an integral part of another provider service.
